

Enter number of sensors: 5

===== Robotics Control Menu =====

1. Add Node
2. Delete Node
3. Update Node
4. Search Node
5. Display Graph
6. Exit

Enter your choice: 1

Enter source and destination: 0 1

Connection added successfully

Enter your choice: 1

Enter source and destination: 0 2

Connection added successfully

Enter your choice: 1

Enter source and destination: 1 3

Connection added successfully

Enter your choice: 1

Enter source and destination: 3 4

Connection added successfully

Enter your choice: 5

===== Sensor Communication Network =====

Sensor 0: -> 2 -> 1

Sensor 1: -> 3

Sensor 2:

Sensor 3: -> 4

Sensor 4:

Enter your choice: 4

Enter node to search: 3

Node 3 found in Sensor 1

Enter your choice: 3

Enter old value and new value: 3 5

Node updated successfully

Enter your choice: 5

===== Sensor Communication Network =====

Sensor 0: -> 2 -> 1

Sensor 1: -> 5

Sensor 2:

Sensor 3: -> 4

Sensor 4:

Enter your choice: 2

Enter node to delete: 2

Node deleted successfully

Enter your choice: 5

===== Sensor Communication Network =====

Sensor 0: -> 1

Sensor 1: -> 5

Sensor 2:

Sensor 3: -> 4

Sensor 4:

Enter your choice: 6
